

WHAT'S HAPPENING AT KAPPA DELTA RHO

THE LEGION PROGRAM

Kappa Delta Rho is proud to announce the official launch of *The Legion* this past fall!

KDR has partnered with Plaid, LLC to create a total membership education program, Legion, which incorporates the latest advancements in online education and in-person facilitation.

Over the last two years, both organizations have worked collaboratively to design curriculum that will serve members throughout their collegiate experience and will better prepare them for life after graduation.

Members will engage in a four-phase program that begins with new member education and concludes during their final semester of school. Objectives of Legion are to provide members with a deeper understanding of KDR's history, purpose and principles, expectations of members and promote skills that develop members and assist them with achieving their ambitions.
